Call for Abstracts

We encourage young researchers to participate in the meeting by sending oral presentations to be discussed on the two slide seminars sessions.

Please check the guidelines on the website or kindly contact the technical secretariat for further information.

Deadline for abstract submission: September 14th, 2018

Target audience

The meeting is aimed at pathologists-in-training and in-practice, molecular biologists, medical and surgical oncologists, and any other health care professional interested in recent advances in molecular and diagnostic pathology.

Accreditation

Continuing Education Credits requested to the Spanish National Health System.

With the collaboration of the Educational Committee of the MD Anderson Cancer Center Madrid.

Venue
