The logo for RGM, with 'R' in white, 'G' in green, and 'M' in white.

Program
18:00 – 19:20

A detailed 3D microscopic rendering of bladder cancer cells. The cells are shown in various colors (pink, orange, blue) and are covered in numerous fine, hair-like projections (microvilli) that give them a spiky appearance. The background is dark with some light spots, suggesting a cellular environment.
